

EASYWork

Tap-N-Go Trimmer Head Ø109

Easiest Fastest Strongest

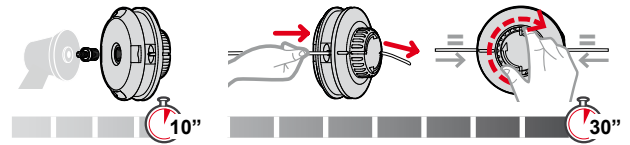

NEW

PATENT PENDING

Ø109

Tap-N-Go double line head Ø109 mm.
Combines the Tecomec traditional operation reliability with an outstanding and **innovative line loading system**.
Sturdy construction confirmed by the heaviest internal and severe OEM's field tests.
Fit the most brushcutters on the market.

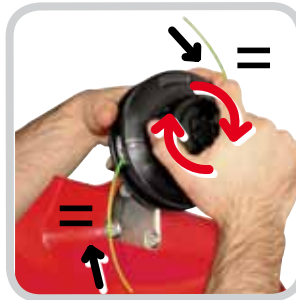

► highlights

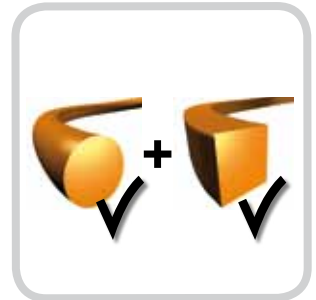

Easy and fast mounting on every type of brushcutter.

Refilling without disassembling any part of the trimmer head.

Line loading in 30".

Can be charged with round and square line.

Shaped steel line retainers, to avoid breakage of the line during the work.

Locking hooks head outside the working area of the line.

Reinforced knob and easy to handle. High capacity of line.

Easy opening of the head for maintenance and cleaning.
